Your Gift

OF A LIFETIME

LOVE OUR HOSPITAL

BUILD A LASTING LEGACY

Our Hospital owes its very beginning to a legacy gift. In 1897, Dr. John R. Stone's gift financed the opening and management of the Parry Sound General Hospital. From our humble beginnings we've grown to a 70-bed acute care hospital supporting the needs of over 25,000 patient visits in 2021. Dr. Stone's legacy lives on in our community. Many of us don't realize what an impact one person can have.

Everyone wants the best health care for themselves and their loved ones, now and into the future. Through your will you can leave a lasting legacy to fund important health care priorities in the West Parry Sound region and keep compassionate care close to home.

HOME AGAIN!

Dear Friends

As I write this, Russian bombs are falling on the cities of Ukraine. The civilized world stands appalled, and our own Lisa, who returned to Ukraine a few weeks ago, has found herself trapped in the chaos of an illegal war. At such a time, it behooves us, all of us, to take stock of what really matters, and to remember the many ties that bind us together as humans.

Among these is music.

For lovers of classical music, there's reason for optimism that July of 2022 will bring us the joy of gathering together for a live Festival of the Sound. After two years of silence, the rafters of our beloved Stockey Centre will again resonate with the glorious sounds of pianos, strings, winds, human voices singing... and applause.

Many artists have used their pandemic-imposed isolation to cultivate more intimate relationships with their instruments and the music they cherish. They are excited to be "Home Again" at this Festival to share what they have discovered with you, our beloved audience. Their live performances this summer will surely be among the most heartfelt and personal we have ever experienced.

Many of us associate the piano with family gatherings, early music lessons (and of course piano practice) and the private pleasure of making music. This summer, our dear friend Janina Fialkowska will host a gathering of three generations of Canada's greatest pianists. You will find all the details in this brochure.

Since 2005 Festival of the Sound's music in schools program "Music Scores" has brought world class music to thousands of students in local classrooms.

This is only possible because of the generous support of donors like you.

Find out how you can help ensure music stays in Northern Ontario classrooms by calling the Festival Office.

YOUTH MUSIC EDUCATION FUND

In 2010, Fran Brown, a dedicated Festival-goer from the beginning, made a generous donation to ensure local children get opportunities to experience classical music at a young age in a way that she did not.

The Youth Music Education Fund was established to ensure the future of Music Scores. All children in Grades 4 to 6 take part in in-class music education from world class artists, and then attend a live concert at the Stockey Centre. Festival of the Sound is grateful for the opportunity to partner with the Near North District School Board in delivering this important arts programming.
